**Certificate**

Patent No. 6,943,783 B1

Patented: September 13, 2005

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Tah-Kang Joseph Ting, Hsinchu (TW); Yin-Shing Lieu, Hsin-Chu (TW); Gyh-Bin Wang, Jung-Li (TW); Ming-Song Hwang, Hsin-Chu (TW); and Huei-Te Hsu, Hsinchu (TW).

Signed and Sealed this Third Day of July 2007.
